| Others.....                                    | \$0.00 billion   |

**Subtotal \$1,118.56 billion**

## ASSESSED VALUE \$4.379 trillion (79.7%)

### Exemptions

|                                                       |                  |
|-------------------------------------------------------|------------------|
| Governmental Property.....                            | \$240.50 billion |
| \$25k Homestead (193.031(1)(a), F.S.).....            | \$130.33 billion |
| Institutional Property.....                           | \$129.26 billion |
| Additional \$25k Homestead (193.031(1)(b), F.S.)..... | \$126.90 billion |
| Disability / Disabled Veterans.....                   | \$50.56 billion  |
| Additional Senior / Age 65 & 25 Year Resident.....    | \$9.69 billion   |
| \$25k Tangible Personal Property.....                 | \$7.95 billion   |
| Land Dedicated for Conservation.....                  | \$0.58 billion   |
| Others.....                                           | \$10.22 billion  |

**Subtotal \$705.99 billion**

## TAXABLE VALUE

**\$3.673 trillion (83.9%\*)**

\* Assessed vs. Taxable Value

### FORMULA TO DETERMINE TAXABLE VALUE

**Just Value (Market Value)**

- **Assessment Differential**  
**(i.e., Save Our Homes)**

**Assessed Value**

- **Exemptions (i.e., Homestead)**

**= Taxable Value**
